8.1. Recipient and release

All prize money will be paid within 90 days after the end of the Trackmania World Tour 2024 after the receipt of the corresponding invoice by the WEBEDIA. WEBEDIA will communicate to the participants or appointed team member of each team the applicable process and the required information to facilitate the payment. Vendor forms and other documents may need to be completed in full by the winning entity in order to process payment. Incomplete forms may result in additional payment delays. Prize money payments are contingent on the team’s or player capability to provide a proper payment reception method, a valid invoice, and the necessary information (e.g., Fiscal ID, Fiscal ID Type, place of registration, legal entity name appearing on the income tax return), as well as the issuing bank’s payment capabilities. Additionally, each team and/or player acknowledges that prize pool payments may be withheld to comply with any international sanctions. In such cases, payments will resume once the relevant sanctions are lifted.

8.2 Withholding Taxes

Prize payments may be subject to applicable federal, state, and local income tax or withholding tax. WEBEDIA reserves the right to deduct any such applicable taxes from the prize payments in accordance with the applicable laws. It is the responsibility of the winning team to seek assistance from a local tax advisor to determine which taxes apply and ensure that any applicable taxes are reported and paid to the appropriate authorities.
